In reading the Holy Quran and teaching others  
Reading it according to Haf's recitation method from Asem El-Kufy  
from the way of Shatebeyah

I am the Sheikh/

﴿ Mahmoud Mohammed El- Said Mostafa ﴾

I bear witness that student

﴿ Nasr El-Rahim Mohammed Nasser ﴾

Whom was born in: 2/10/1992, Australia.

He had read the great Quran by heart with Haf's recitation method from the Imam Asem El-Kufy from the way of Shatebeyah, And when he finished it and asked me for the Ijaza & its bond, I certificated him "as he is worth it" with a correct Ijaza according to trace experts' qualifications and I allowed him to read and teach others to read the great Quran anywhere he goes, and wherever he travelled or stayed.

**And this is a certificate from me with that**
