In reading the Holy Quran and teaching others
Reading it according to Hafs's recitation method from Asem El-Kufy
from the way of Shatebeyah

I am the Sheikh/

﴿ Mahmoud Mohammed El- Said Mostafa ﴾

I bear witness that student

﴿ Mohammed Yousef Amin El-Rahman ﴾

Whom was born in: 18/6/2001, Britain.

He had read the great Quran by heart with Hafs's recitation method from the Imam Asem El-Kufy from the way of Shatebeyah, And when he finished it and asked me for the Ijaza & its bond, I certificated him "as he is worth it" with a correct Ijaza according to trace experts' qualifications and I allowed him to read and teach others to read the great Quran anywhere he goes, and wherever he travelled or stayed.

And this is a certificate from me with that

Dated on: 7/1/2023.
